

Kindergarten Summer Work

We want our beginning kindergarteners to be able to:

1. Hold a pencil correctly.
2. Write their name.
3. Recognize most letters and sounds.
4. Count to ten.
5. Stay on task for ten minutes.
6. Follow classroom rules.

Please sign and return this packet on the first day of school. We will give prizes for a signed and completed packet! We can't wait to see your lovely faces! Have the best summer ever!

Mrs. Osbon & Mrs. Brown
